ANOTHER ASTONISHING CUBE! Wister's Balsem of Wild Cherry.

ALWAYS TRIUMPHANT! CURE FOLLOWS CURE!!

In its Onward Victorious Career! \$ \$ \$ \$ \$ \$ \$ \$ Mp. J. W. WRITHORE:

Dear Sir :- As you are the regular authorized agent in Dayton, for the sale of "Dn. Wisyan's Balant or Willo Chenny," I take this method of making a statement of facts to you (which I hope may be iblished to the world; in reference to an almost MIRACULOUS CURE, Arought in my case by means of the above invalinating flataam.

Language falls to describe the salutary effects it produced, and the received from its use.

The citizens of Dayton and vicinity, well recollect that on the 5th of August last, I received serious injury from the explosion of a can-

non. A portion of its contents entered my right side and breast; and in all probability, some fragments or splinters of the ramrod passed through the "plura," and pierced the Lungs. After the lapse of about six weeks, I was attacked with a distressing cough and molent pain in my right side. Some ten days after this, when in a paracyon of Coughar, suddenly an ulcer broke, and a large quantity of very offensive matter, mixed with blood, was discharged; nost of which found passage through the opening of the wound. From this opening there frequently passed a quantity of air, supposed to beste from the lungs. During all this time my suferings were almost

My physicians, meanwhile, paid the strictest attention to me, and did all in their power for my recovery. But with all their skill, they could not reach the seat of discress, after the Lungs had become effected. I was visit d during this time by at least treaty Physicians.

It was now reduced to a certainty, that inflammation of the lungs was rapidly taking place; and that this would terminate my life in a very short time, was in the highest degree probable. At this critical stage, a messenger was despatched to Cincinnati, and a celebrated Physician of that place was consulted. When he was made acquainted with my situation, he remarked that nothing could be done by medical aid, if the constitution itself was not suffitient to throw off the disease.

My friends now despaired of my recovery, and I had no earthly ground of hope to survive many days. Fortunately at this juncture I saw one of Dr. Wistan's Pastrinars, entitled "Family Medical Guide," or "Treatise on Communition of the Langes." As I had often heard of dying men "catching at straws," I left like doing so myself. By the consent of my physicians, I sent to you for a bottle of the medicine described, viz: "Wistan's Balaam or Willo Cheser," which relieved me almost immediately. After I had used some five or six lot-ties, I so far recovered as to be up and about. My cough ceased, and my lungs were restored to a healthy state—all from the healing and buling influence, and powerful medicinal virtues of Wistan's Balkane. Were it not for the external injury I received in the shoulder and arm by the explosion, I feel confident that I might have been working at my trade (which is blacksmithing,) but this has prevented.

By exposure, I have since taken several severe colds; and my saly reactly has been "THE BALSAM." And I now most cordially recommend the genuine Wistar's Balsam to all who are afflicted with Cours, Courses, or Lung Constants. I consider it an invaluable medicine— a real blessing to the world. Any person desiring further information

may call on me at any time. Yours truly, CHRISTOPHER R. SMITH. City of Dayton, Montgomery Co., State of Ohio, Subscribed and sworn to, before me, Justice of the Peace, this 11th day of Feb., 1845.
